

Patricio Reig

Patricio Reig was born in Argentina in 1959. He studied architecture at the University Piloto of Colombia, graduating in 1984. During this time he undertook further studies in engraving, completing a degree course at the National University of Colombia. Achieving his final qualifications in architecture Reig moved to Barcelona where he studied a doctorate in architecture at the University Polytechnic of Catalunya. Since 1984 Reig has lived and worked in Barcelona, holding numerous solo and group exhibitions in both Barcelona and Colombia. His most recent exhibitions this year include solo exhibitions in Miami, Madrid and Hong Kong..
